

Bud the inspiring song is too long and complicated to translate directly. Listen to the Sesame Street version for inspiration. Rhymes would be ideal, but I know that is difficult.

Basically,

|                  |  |
|------------------|--|
| Going for a ride |  |
| In a car         |  |
| In a train       |  |
| In a boat        |  |
| On a bike        |  |
