

Dance House Kit

1. Print
Print out the pages with planks drawn on them.
Flip these pages over, and print the interior patterns on the other side.
2. Cut
Cut along the patterns' solid lines.
3. Fold
Fold pieces inward along the dotted lines.
4. Roll
Roll three pieces of scrap into tubes, about the size of a pencil.
5. Glue
Put glue on the folded tabs, and assemble the kit. It should look like the picture above!
